MOSCOW CASTING
HITS

***millions of views** on **YOUTUBE**
with the most popular question: "**Where can I buy it?**"

MOSCOW CASTING KITS

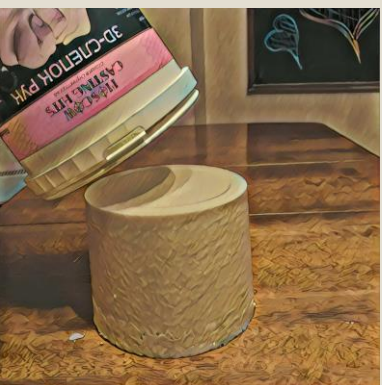

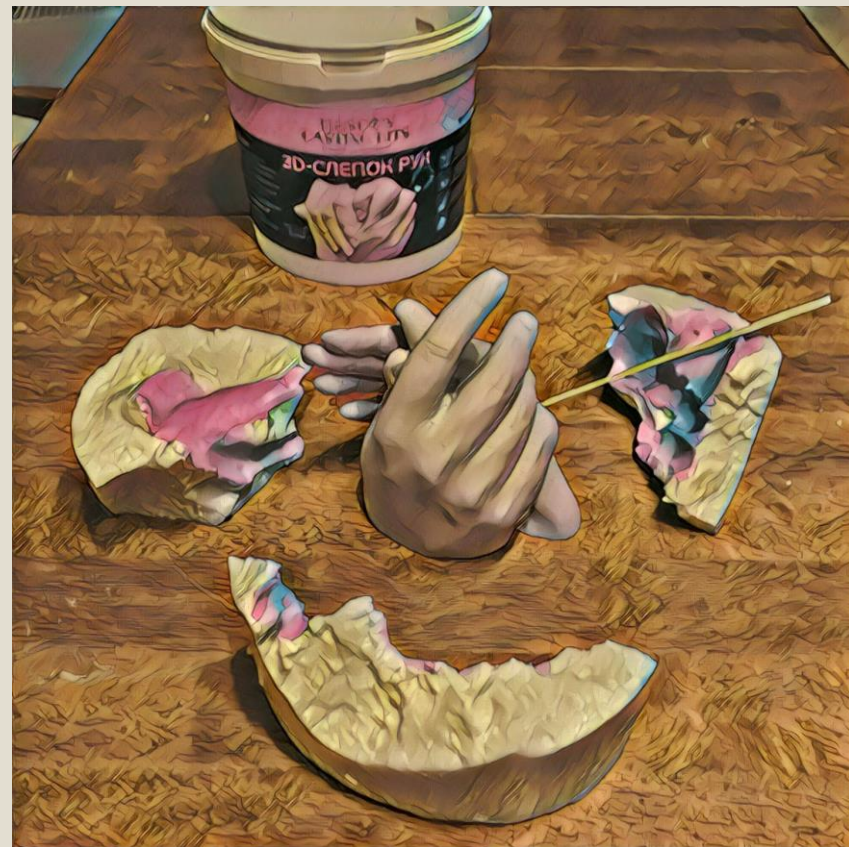

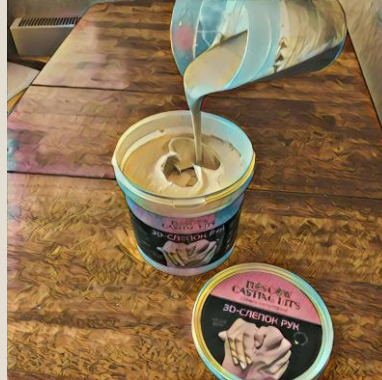

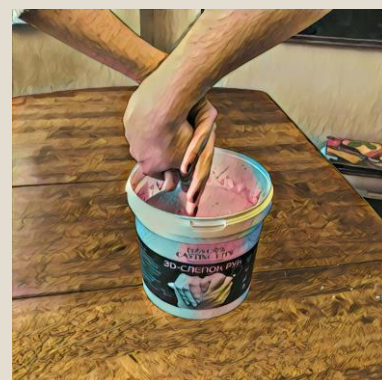

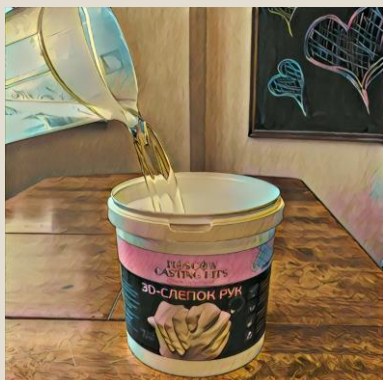

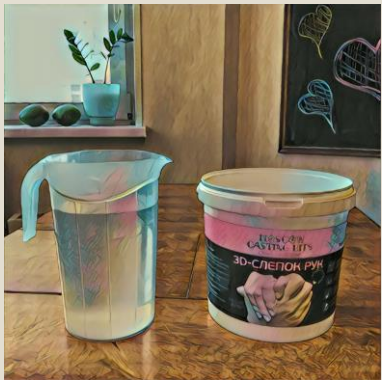

What is it?

- We produce **hands casting kits** which are a new popular trend in **DIY** (do it yourself) products industry.
- The kit allows to create **detailed sculpture** of one, two or more holding hands, reproducing even the fingerprints.
- Still not clear? Watch our advertising video and video instructions on **YOUTUBE**: <https://youtu.be/x7dWWoSYzpo>
- What is **inside** the kit?
 1. **Skin safe molding powder**
 2. Special **stone powder** for sculptures
 3. Detailed **instructions book** with colorful pictures
 4. Wooden **sticks** to finish your sculpture
 5. Plastic **bucket** where the molding process is done
- **Who buys it?**
 - **Couples**
 - **Families**
 - **Adults with children**
 - People who want to make an **original gift**

Who we are?

- www.зеленыйкапитал.рф
